Bloom Central buyer summary

Prepared by Knownable. Sources checked 15 October 2026. Developer facts and broker observations are identified separately.

An Airport Road mixed use development combining residences, offices, Marriott hotel rooms and executive apartments.

The project page lists 49 two and three bedroom residences, separately from 315 hotel rooms and 45 Marriott Executive Apartments. A residential tenancy and a hotel apartment booking have different terms.

Bedroom range: 2 and 3

Published sizes: See the type specific published areas below

Handover: Completed in 2016 (Developer publication)

Bloom's 2016 timeline records completion of Bloom Central. This is a project milestone, not proof of possession or condition of a selected residence.

2 bedroom residence: From 150 sq m

3 bedroom residence: From 203 sq m

These are the developer's published leasing examples, not an approved area schedule for every home or phase.

Residential component: 49 two and three bedroom residences

Hospitality components: 315 hotel rooms and 45 executive apartments

Published office space: More than 5,000 sq m

Location: Airport Street.

Confirm whether the enquiry concerns a residence, office or hotel apartment and which services are included.

Documents and details still needed

Measured drawings matched to the selected home

Official location and selected plot plan

Current unit quotation and available inventory

Approved service charge schedule and included services

Measured area and plot schedule for the selected property
