Bloom Living buyer summary

Prepared by Knownable. Sources checked 15 October 2026. Developer facts and broker observations are identified separately.

A phased residential community in Zayed City, with 12 named releases that have separate home types and delivery schedules.

The master development includes villas, townhouses and apartments. Choose a phase below for its own drawings, published areas and delivery information.

Bedroom range: Studio to 6

Master development area: 2.2 million sq m

Planned housing: More than 4,500 homes

Community scale, not a unit count for any single phase.

Location: Zayed City.

The community masterplan includes facilities delivered at different times. Confirm what is open and what the selected phase’s contract provides.

Documents and details still needed

Measured drawings matched to the selected home

Selected unit floor and plot area schedule

Verified delivery date or handover record

Current unit quotation and available inventory

Approved service charge schedule and included services
